WORLD CLASS CUP
2022**

WORLDWIDE COMPETITION

The Straumann World Class Cup (SWCC) is ready to kick off with Round 1, where our key topic is Immediacy. Join us virtually on September 6th – 9th from 13.00 to 14.30 am (CET) for this one-of-a-kind hybrid event!

Teams from around the globe are ready to show off their expertise as they present cases highlighting protocols for immediate placement and loading. You're sure to discover a tip or treatment approach that you can apply in your own clinical practice.

Our jury of world-renowned experts will evaluate the cases and assign points, but you get to help determine the winner because public voting will allow teams to accumulate higher scores.
