

Did you ever know...

...that all guidelines

of the European Consensus Conference (EuCC) held under the auspices of the BDIZ EDI are available for download in both English and German? Topics are e.g. update ceramics in implantology and implant prosthetics. In addition to abutments and superstructures, one-piece and two-piece ceramic implants were also scrutinized. New guidelines cover peri-implantitis, the Cologne ABC-risk score. For more information see:

Female dentists in Europe

Profiles

This edition marks the start of a new series of reports. We want to introduce female European dentists who "stand their ground" as they balance their work, their family and their pro-bono activities.

Name: Dr Nathalie Khasin
Profession: Dentist, implantologist
Office: Berlin, Germany
Age: 41
Family: Married, 3 children
Active: Member of the BDIZ EDI board

prestigious film industry award. He comes from a family of dentists who emigrated to Germany from Russia in 1981.
 Nathalie quickly became interested in dental surgery and completed a two-year Curriculum Implantology, which she today says was an important experience for her – not least because she very

...that the BDIZ EDI

is introducing female dentists throughout Europe in a loose succession of interviews in its *EDI Journal*? The new format documents their lives and careers and shows how they assert themselves at work and in their private lives. The interviews can also be read online.

For more information see:

...that the *EDI Journal*

is sent out to all members of the partner associations of the BDIZ EDI? The only requirement is membership of the respective association in the BDIZ EDI. The partner associations and their work are regularly presented in our journal. Back issues (PDF files) of the *EDI Journal* are also available online.
