### **READY TO USE IN YOUR DAILY PRACTICE**

The Straumann World Class Cup is a high-profile competition between clinicians that began online on September 6th and will conclude with a championship round on December 2nd.

Eighty experienced clinicians share their best cases as they compete to win the World Cup. Twenty teams – each composed of 4 clinicians – demonstrate their expertise and clinical skills. Matches will consist of a clinical case

presentation by each team that applies evidence-based treatments and showcases valuable clinical applications ready to use in your daily practice. The variety of clinical approaches and topics will open new perspectives and present tools for more efficient and predictable solutions for your patients.

In the Digital round, our experts will present workflows that optimize accuracy through improved diagnosis, treatment planning, and surgical execution. Digital workflows are fast becoming the standard of care in dentistry, and Straumann is here to be your trusted partner in this journey.

Do not forget to continue to vote for your favorite SWCC team! Public voting allows teams to accumulate extra points. Points that just might help them qualify for the championship round! If you missed voting in Rounds 1 and 2, it's not too late to register.

Make sure to mark your calendar with the final championship round on December 3rd. The Esthetics round where the best teams will compete face to face while you watch from the comfort of your home or clinic!
