Did you ever know...

...that every year BDIZ EDI

organises an Expert Symposium addressing a current topic in oral implantology? At the same time, a practical guideline on the same topic is prepared for the European Consensus Conference (EuCC) to discuss, update and reach consensus on. The topic for 2022 was "Periodontal disease as a risk factor"; in 2023, discussions will focus on a new "Update on short, angulated and reduced-diameter implants".

...that the BDIZ EDI

is introducing female dentists throughout Europe in a loose succession of interviews in its *EDI Journal*? The new format documents their lives and careers and shows how they assert themselves at work and in their private lives. The interviews can also be read online.

For more information see:

...that the EDI Journal

is sent out to all members of the partner associations of the BDIZ EDI? The only requirement is membership of the respective association in the BDIZ EDI. The partner associations and their work are regularly presented in our journal. Back issues (PDF files) of the *EDI Journal* are also available online.
