

Was ist sonst noch los in Köln? *What's on in Cologne?*

Belgisches Viertel

- Wo: Brüsseler Platz, Köln

■ Kölns Belgisches Viertel ist an jedem Abend der Woche ein gutes Ausflugsziel. Dort kommen Besucherinnen und Besucher sowie Einheimische zusammen, um Kölns kulinarische Vielfalt zu entdecken, einzukaufen oder in einer Bar zu entspannen. Rund um den Brüsseler Platz, wo die neoromanische Kirche St. Michael steht, gibt es unzählige Boutiquen, Theater, Cafés, Bars und Restaurants. Wenn Sie es tagsüber hierher schaffen, halten Sie Ausschau nach cafe-cafe, einem kleinen, trendigen Café mit bunt gestreiftem Interieur, warmen und kalten Kaffeespezialitäten und einem köstlichen Mittagmenü. Wer auf der Suche nach einem zweiten Zuhause ist, sollte abends bei der Wohngemeinschaft vorbeischauen, die Café-Bar, Theater und Hostel zugleich ist. Ein Drink auf einem Retro-Barhocker in diesem freundlichen Lokal ist vielleicht genau das Richtige!

Kölner Schokoladenmuseum

- Wann: Täglich, 10:00-18:00 Uhr
- Wo: Am Schokoladenmuseum 1a, 50678 Köln
- Informationen: www.schokoladenmuseum.de

Seien wir ehrlich: Obwohl wir versuchen, unsere Zähne gut zu pflegen, gehört Schokolade zu den Versuchungen, denen man nur schwer widerstehen kann. Wer es ins berühmte Kölner Schokoladenmuseum schafft, wird es nicht bereuen. Ebenso ist der Geschenkeladen ein Muss.

„Blumen, Flowers, Fleurs“

- Wann: 10:00-18:00 Uhr
- Wo: Museum für Angewandte Kunst Köln, An der Rechtschule 7, 50667 Köln
- Informationen: makk.de

Wenn Sie etwas Ruhe brauchen, besuchen Sie das Museum für Angewandte Kunst Köln, eines der größten Museen für angewandte Kunst in Deutschland. Die temporäre Ausstellung „Blumen, Flowers, Fleurs“ besteht aus schillernden, überlebensgroßen Wollbildern der deutschen Künstlerin Susanna Taras. Die Künstlerin spielt mit Farben, Maßstäben und Formen und möchte in den Hallen der Kunstinstitutionen ein Gefühl von Poesie erzeugen.

Love Me More

- Wann: 19:30 Uhr
- Wo: Schauspiel Köln, Schanzenstraße 6-20, 51063 Köln

- Informationen: www.schauspiel.koeln

Das Stück des israelischen Choreographen Saar Magal, das an der Schnittstelle zwischen Tanz und Theater angesiedelt ist, nimmt Bezug auf Oscar Wildes *Das Bildnis des Dorian Gray* und untersucht den Narzissmus und die Verlockungen der ewigen Jugend. Als sinnliche Collage beschrieben, ist Magals Erkundung von Begehren, Selbstliebe und endloser Optimierung sehr zu empfehlen. Das Stück ist in englischer und deutscher Sprache und dauert 90 Minuten. ◀◀

Belgian Quarter

- Where: Brüsseler Platz (Brussels square), Cologne

■ Cologne's Belgian Quarter is a good destination on any night of the week. There, visitors and locals come together to discover Cologne's culinary diversity, to go shopping or to relax in a bar. Around Brussels square, where the neo-Romanesque church of St Michael stands, there are countless boutiques, theatres, cafes, bars and restaurants. If you make it here during the day, keep an eye out for cafe-cafe, a small, trendy cafe with a colourfully striped interior, hot and

cold coffee specialties, and a mouth-watering lunch menu. In the evenings, those who are looking for a home away from home might consider dropping by die Wohngemeinschaft. Its name means "shared flat", and the café-bar, theatre and hostel is arranged according to the whims of its four fictitious housemates. A drink while sitting on a retro barstool in this friendly establishment may be just the ticket!

Cologne chocolate museum

- When: Daily, 10:00-18:00
- Where: Am Schokoladenmuseum 1a, 50678 Cologne
- Information: www.schokoladenmuseum.de

Let's face it: although we try to take good care of our teeth, chocolate is one of those temptations that is hard to resist. Those who make it to the famous Cologne chocolate museum will not regret it. Likewise, the gift shop is a must-see.

"Blumen, Flowers, Fleurs"

- When: 10:00-18:00
- Where: Museum für Angewandte Kunst Köln (Cologne museum of applied arts), An der Rechtschule 7, 50667 Cologne

- Information: makk.de

If you are in need of some peace and quiet, why not visit the Museum für Angewandte Kunst Köln, one of the largest museums of applied art in Germany. The temporary exhibition "Blumen, Flowers, Fleurs" consists of iridescent, larger-than-life woollen paintings by the German artist Susanna Taras. The artist plays with colour, scale and form and aims to create a sense of poetry in the halls of art institutions.

Love Me More

- When: 19:30
- Where: Schauspiel Köln, Schanzenstraße 6-20, 51063 Cologne
- Information: www.schauspiel.koeln

At the intersection of dance and theatre, this play by Israeli choreographer Saar Magal makes reference to Oscar Wilde's *The Picture of Dorian Gray* as it examines narcissism and the allure of eternal youth. Described as a sensuous collage, Magal's exploration of desire, self-love and endless optimisation comes highly recommended. The play is in English and German and runs for 90 minutes. ◀◀

AD

Oral-B is on a mission to make oral care more inclusive, accessible, and positive for everyone.

Did you know?

Approximately **1/3 of people (166 million)** in Europe** are affected by a disability in some way

32%

28%

36%

36%

1/3 (34%) of those experienced gum issues in the past year

Oral-B, a leading innovator in oral health and #1 recommended brand by dentists worldwide, has commissioned a European-wide study* to better understand the hidden impact of disability on oral health.

The study reveals that in UK, France, Germany and Italy:

Almost **HALF of people (47%) with disabilities** have not been taught how to look after their oral health*

23%

(over a fifth) of disabled Europeans feel demotivated when it comes to maintaining their oral health*

2x

Almost **2x** more people with disabilities said they **find oral care painful** vs those without a disability*

35%

of disabled people feel **anxious or frustrated** when it comes to visiting the dentist*

1 in 5 (20%) of those with severe disabilities find that brushing all of their teeth physically challenging*

Our Ambition

Oral-B believes **everyone deserves an equitable oral care experience** – whether that's at **the dentist**, through **easily accessible** and **personalised tips and tricks** or with the products that are **used at home** to maintain oral health.

For more information

*About the Research

The Oral Health & Disability European Study – UK, France, Germany and Italy, was conducted by Reputation Leaders. The studies were conducted between 2021–2022 in Germany (n=1034), France (n=1009), UK (n=2029) and Italy (n=1002).

In each country the online survey sample was recruited and reported to be representative of the total adult population by age, gender and region. The margin of error of a sample of 5000 adults is +/- 1.4% at a 95% confidence level for the 4 leading economies.

At a country level, the margin of error of the sample relative to the total adult population was UK n=2000 (+/- 2.2%), Germany, France and Italy, n=1000 (+/- 3.1%)
