

## Was ist sonst noch los in Köln? *What's on in Cologne?*

### Belgisches Viertel

- Wo: Brüsseler Platz, Köln

■ Kölns Belgisches Viertel ist an jedem Abend der Woche ein gutes Ausflugsziel. Dort kommen Besucherinnen und Besucher sowie Einheimische zusammen, um Kölns kulinarische Vielfalt zu entdecken, einzukaufen oder in einer Bar zu entspannen. Rund um den Brüsseler Platz, wo die neoromanische Kirche St. Michael steht, gibt es unzählige Boutiquen, Theater, Cafés, Bars und Restaurants. Wenn Sie es tagsüber hierher schaffen, halten Sie Ausschau nach cafe-cafe, einem kleinen, trendigen Café mit bunt gestreiftem Interieur, warmen und kalten Kaffeespezialitäten und einem köstlichen Mittagmenü. Wer auf der Suche nach einem zweiten Zuhause ist, sollte abends bei der Wohngemeinschaft vorbeischaun, die Café-Bar, Theater und Hostel zugleich ist. Ein Drink auf einem Retro-Barhocker in diesem freundlichen Lokal ist vielleicht genau das Richtige!

### Kölner Schokoladenmuseum

- Wann: Täglich, 10:00-18:00 Uhr
- Wo: Am Schokoladenmuseum 1a, 50678 Köln
- Informationen: [www.schokoladenmuseum.de](http://www.schokoladenmuseum.de)

Seien wir ehrlich: Obwohl wir versuchen, unsere Zähne gut zu pflegen, gehört Schokolade zu den Versuchungen, denen man nur schwer widerstehen kann. Wer es ins berühmte Kölner Schokoladenmuseum schafft, wird es nicht bereuen. Ebenso ist der Geschenkeladen ein Muss.

### „LOVE?“

- Wann: 10:00-18:00 Uhr
- Wo: Rautenstrauch-Joest-Museum, Cäcilienstraße 29-33, 50667 Köln
- Informationen: [www.museenkoeln.de/rautenstrauch-joest-museum/](http://www.museenkoeln.de/rautenstrauch-joest-museum/)

Verlangen, wie sie unter den großen Hegemonien unserer Zeit erlebt werden: nämlich Heteropatriarchat, Kolonialismus und Kapitalismus. Wer vorbeischaun, sollte sich unbedingt auch die Installation des in Ghana geborenen Kölner Künstlers Nando Nkrumah anschauen.

### Kölner Kinogenuss

- Wann: Täglich, bitte erkundigen Sie sich im Voraus über Details.
- Informationen: [www.kino.de/kinoprogramm/stadt/koeln](http://www.kino.de/kinoprogramm/stadt/koeln)

Was gibt es Schöneres nach einem anstrengenden Messetag als ge-

dimmtes Licht, einen bequemen Kinossessel und eine große Portion Popcorn? Filmisch hat Köln viel zu bieten, und Besucherinnen und Besucher der Stadt können sich an jedem Abend der Woche an Filmen sattsehen. Für Arthouse-Liebhaberinnen und -Liebhaber ist die Stadt ein Traum. Halten Sie Ausschau nach Filmforum NRW im Museum Ludwig, Filmpalette, Odeon und Off Broadway. ◀◀

### Belgian Quarter

- Where: Brüsseler Platz (Brussels square), Cologne

■ Cologne's Belgian Quarter is a good destination on any night of the week. There, visitors and locals come together to discover Cologne's culinary diversity, to go shopping or to relax in a bar. Around Brussels square, where the neo-Romanesque church of St Michael stands, there are countless boutiques, theatres, cafes, bars and restaurants. If you make it here during the day, keep an eye out for cafe-cafe, a small, trendy cafe with a colourfully striped interior, hot and cold coffee specialties, and a mouth-watering lunch menu. In the evenings, those who are looking for a home away from home might con-

sider dropping by die Wohngemeinschaft. Its name means "shared flat", and the café-bar, theatre and hostel is arranged according to the whims of its four fictitious housemates. A drink while sitting on a retro barstool in this friendly establishment may be just the ticket!

### Cologne chocolate museum

- When: Daily, 10:00-18:00
- Where: Am Schokoladenmuseum 1a, 50678 Cologne
- Information: [www.schokoladenmuseum.de](http://www.schokoladenmuseum.de)

Let's face it: although we try to take good care of our teeth, chocolate is one of those temptations that is hard to resist. Those who make it to the famous Cologne chocolate museum will not regret it. Likewise, the gift shop is a must-see.

### „LOVE?“

- When: 10:00-18:00
- Where: Rautenstrauch-Joest-Museum, Cäcilienstraße 29-33, 50667 Cologne
- Information: [www.museenkoeln.de/rautenstrauch-joest-museum/](http://www.museenkoeln.de/rautenstrauch-joest-museum/)

Fresher than one might imagine, Cologne's leading ethnological mu-

seum is asking visitors what love has to do with colonialism. The exhibition and workshop investigates love and desire as experienced under the great hegemonies of our age: namely, heteropatriarchy, colonialism and capitalism. If you stop by, be sure to also check out the installation by the Ghana-born Cologne artist Nando Nkrumah.

### Cologne cinema treat

- When: Daily, please enquire in advance for details.
- Information: [www.kino.de/kinoprogramm/stadt/koeln](http://www.kino.de/kinoprogramm/stadt/koeln)

After an exhausting day at the fair, what could be better than low light, a comfy cinema seat and a large portion of popcorn? Cinematically, Cologne has a lot to offer, and visitors to the city can have their fill of film on any night of the week. For art house lovers, the city is a dream. Keep an eye out for Filmforum NRW at Museum Ludwig, Filmpalette, Odeon and Off Broadway. ◀◀

# ConsyBox

www.consybox.com

A smart box for the convenience of distributors and clinics

## No paperwork, all digital!

The ConsyBox is developed for management of the implant stock in the clinics. It is a fast and precise tool for ordering goods and digital communication between distributors and clinics!

It is fully in line with the latest regulations of the European Medical Devices Regulation for storage and traceability.

Choose the product

Reserve it for treatment

You will be re-stocked automatically

Fill the stock

You are ready again for the next treatment

## The ConsyBox is smart

Full automatization of your consignment and instant control of the product taken from the box.

AD

Oral-B is on a mission to make oral care more inclusive, accessible, and positive for everyone.

Did you know?

Approximately **1/3 of people (166 million)** in Europe\*\* are affected by a disability in some way

32%

28%

36%

36%

**1/3 (34%)** of those experienced gum issues in the past year

Oral-B, a leading innovator in oral health and #1 recommended brand by dentists worldwide, has commissioned a European-wide study\* to better understand the hidden impact of disability on oral health.

The study reveals that in UK, France, Germany and Italy:

Almost **HALF of people (47%) with disabilities** have not been taught how to look after their oral health\*

23%

(over a fifth) of disabled Europeans feel demotivated when it comes to maintaining their oral health\*

2x

Almost **2x** more people with disabilities said they **find oral care painful** vs those without a disability\*

35%

of disabled people feel **anxious or frustrated** when it comes to visiting the dentist\*

**1 in 5 (20%)** of those with severe disabilities find that brushing all of their teeth physically challenging\*

Our Ambition

Oral-B believes **everyone deserves an equitable oral care experience** – whether that's at **the dentist**, through **easily accessible** and **personalised tips and tricks** or with the products that are **used at home** to maintain oral health.

For more information

\*About the Research

The Oral Health & Disability European Study – UK, France, Germany and Italy, was conducted by Reputation Leaders. The studies were conducted between 2021–2022 in Germany (n=1034), France (n=1009), UK (n=2029) and Italy (n=1002).

In each country the online survey sample was recruited and reported to be representative of the total adult population by age, gender and region. The margin of error of a sample of 5000 adults is +/- 1.4% at a 95% confidence level for the 4 leading economies.

At a country level, the margin of error of the sample relative to the total adult population was UK n=2000 (+/- 2.2%), Germany, France and Italy, n=1000 (+/- 3.1%)

+Assumes total EU and UK population, 2022
