You can book the complete package “on demand” (after completion of the series)
See “Full package” for the applicable fee.

From the basics to the master class: BDIZ EDI offers webinar series on implantology

“Implantology step by step”: Start of the training series

BDIZ EDI is launching a series of webinars that will leave no questions unanswered when it comes to oral implantology and related disciplines. Starting this autumn, everything will revolve around implantology—step by step. Hosted by Prof. Johannes Einwag (Würzburg), the series covers the entire range from the basics to the master class.

The series has been designed and will be moderated by Prof. Johannes Einwag, known for his successful continuing-education presentations, and by BDIZ EDI President Christian Berger. It covers everything from planning, preparation and implant placement to provisionalisation, prosthetics, orthodontics—and billing for these therapies. It is a great way for beginners to get started in implant dentistry

and for everyone else to expand their knowledge. The training series can only be booked as a complete package.

The speaker pool

Well-known speakers are on board: Prof. Christof Dörfer, Dr Markus Tröltzsch, Dr Dirk Heering, Dr Ali-Reza Ketabi, Horst Dieterich, Prof. Johann Müller, Dr Kathrin

Becker, Christian Berger and Kerstin Salhoff.

By way of introduction, BDIZ EDI is offering two separate free webinars. Like the rest of the series, they can be booked as “training on demand” after the series has completed.

Our compact offer

The online lectures will take place from 7:00 to 7:45 p.m., followed by a discussion. The series starts on 26 September 2023 with Dr Dirk Heering talking about “Planning”. Two continuing education (CE) credits are available per webinar. If you register for the full package and attend all webinars, you will receive 14 CE points.

- Registration fee: €560
- Members: €300
- New members: €290
- Training on demand: See fee above

Once the training series has been completed, it will be available as “training on demand” at the same price. The final webinar will be held on 19 December 2023. Please turn over for the programme overview. For more information and to register, please visit www.bdizedi.org.

The series is in German language only. However, if you are interested in this post-graduate education, please contact us: office-munich@bdizedi.org
