TRULY CONICAL PRECISION

**CONOLOG<sup>®</sup>**  
SYSTEM

Fully  
guided!

## CONOLOG<sup>®</sup> PROGRESSIVE-LINE conical performance<sup>1,2</sup> at bone level

### Precise conical connection

- long conus for reduced micromovements
- superior positional stability in comparison to other conical systems<sup>1,2</sup>
- easy positioning with excellent tactile feedback
- integrated platform switching supporting the preservation of crestal bone
