

# Focus on science and practice

3<sup>rd</sup> European Congress for Ceramic Implantology, Switzerland

**Only the facts matter:** Under the theme “Facts of Ceramic Implants Part III,” the European Society for Ceramic Implantology (ESCI) invites clinicians, implantologists, and researchers to the highly anticipated third edition of this prestigious event. The 3<sup>rd</sup> European Congress for Ceramic Implantology will take place from 25 to 27 September 2025, in Horgen/Zurich, Switzerland, offering a premier platform for the exchange of cutting-edge scientific advancements and clinical breakthroughs in ceramic implantology.

## A world-class programme featuring renowned experts

Over three dynamic days, attendees will gain invaluable insights from 27 globally recognised speakers, who will present pioneering research, innovative treatment approaches, and real-world clinical experiences. The programme is structured around three core themes: material

science, biological integration, and clinical application. Topics will range from the fundamentals of ceramic implantology to advanced techniques and interdisciplinary methodologies, equipping both researchers and clinicians with essential knowledge.

## Pre-congress workshops: Hands-on learning at its best

Participants will have the opportunity to refine their expertise through specialised, practice-oriented workshops led by world-renowned experts. These sessions will focus on surgical techniques, emerging treatment modalities, and best practices for seamlessly integrating ceramic implants into daily clinical practice. A highlight of the event is the exclusive ESCI Pre-Congress Workshop, developed in collaboration with the Centre for Dental Medicine at the University of Zurich. This unique session provides hands-on training with three different

implant systems, featuring live surgeries and practical exercises—an unparalleled educational experience found nowhere else in the world.

**The prestigious ESCI Award**

The ESCI is proud to offer its members the opportunity to showcase their clinical expertise through case presentations. The ESCI Scientific Advisory Board will honor the best submission with the ESCI Award, valued at CHF1,000. The recipient will also be invited to present their case during the congress, providing well-deserved recognition for their outstanding work.

**Networking in an inspiring atmosphere**

Beyond its scientific excellence, the congress fosters meaningful connections in a warm and engaging setting. The Welcome Reception, held in the historic wine cellar of Landgut Bocken, provides a perfect environment for networking and exchanging ideas. The Swiss Gala Dinner, themed “60 Years of Implantology,” will be a social highlight, hosted at the picturesque Bocken Estate on the shores of Lake Zurich. This special evening commemorates the 60<sup>th</sup> anniversary of the first dental implant placed by Per-Ingvar Brånemark, featuring a keynote address by his close collaborator, Prof. Tomas Albrektsson. Attendees will also enjoy a delightful showcase of Swiss culture, complemented by exquisite cuisine and a captivating entertainment programme.

**A perfect blend of innovation and tradition**

Zurich serves as an ideal backdrop for this congress, seamlessly merging scientific rigor with Swiss hospitality. Attendees will not only benefit from groundbreaking presentations but also have the chance to explore the city’s rich cultural and culinary heritage.

With its unique combination of pioneering science, hands-on learning, and cultural immersion, the 3<sup>rd</sup> European Congress of Ceramic Implantology is set to redefine standards in the field. Recognised as the world’s largest and most influential event for zirconia implantology, this congress is an unmissable occasion.

We look forward to welcoming you!
