Kuraray auf der IDS 2025

Kuraray at IDS 2025

Seit fast 100 Jahren führend in Innovation und Wissenschaft.

Almost a century of innovation and scientific excellence.

1 • Masaki Funatsu, Prof. Nicola Scotti, Dr. Adam Elsayed und Matthias Fernandez Lombardi sprachen auf der Pressekonferenz von Kuraray Noritake Dental. • *Masaki Funatsu, Prof. Nicola Scotti, Dr Adam Elsayed and Matthias Fernandez Lombardi spoke at the Kuraray Noritake Dental press conference.* 2 • Die bewährten und neuen Produkte des Unternehmens sind in Halle 11.3 ausgestellt. • *The company's established and new products are on display in Hall 11.3.*

■ Im Vorfeld seines 100-jährigen Jubiläums im Jahr 2026 präsentiert Kuraray Noritake Dental Lösungen für das Labor und den Behandlungsplatz, die einen universellen Ansatz für zahnärztliche Teams bieten sollen, auf der IDS 2025. Auf der gestrigen internationalen Pressekonferenz des Unternehmens betonte Dr. Nicola Scotti, Professor für restaurative Zahnmedizin an der Universität Turin, Italien, dass Kuraray den Dentalmarkt revolutioniert habe. Er fügte hinzu: „Nach fast 100 Jahren verfolgt Kuraray immer noch eine sehr beständige Richtung im Dentalmarkt. Hinter den Produkten steckt viel Wissenschaft, Forschung und Chemie.“

Der wissenschaftliche Leiter für Dentalkeramik und CAD/CAM-Materialien bei Kuraray Europe, Matthias Fernandez Lombardi, stellte einige der neuesten Produkte des Unternehmens vor, die alle am Kuraray-Stand (E010/F019) in Halle 11.3 zu sehen sind. Dazu gehören CERABIEN MiLai – ein Sortiment an Keramikmassen und internen Malfarben – sowie das mit Spannung erwartete CLEARFIL Universal Bond Quick 2, eine Bonding-Tech-

nologie der nächsten Generation mit einem breiten Anwendungsspektrum. ◀

■ *Leading up to its 100th birthday in 2026, Kuraray Noritake Dental is presenting labside and chairside solutions that aim to deliver a universal approach for dental teams. At the company's international press conference yesterday, Dr Nicola Scotti, professor of restorative dentistry at the University of Turin in Italy, emphasised that Kuraray has brought revolution to the dental market. He added: "After nearly 100 years, Kuraray still has a very steady direction in the dental market. Behind its products is a lot of science, research and chemistry."*

The scientific manager of dental ceramics and CAD/CAM materials at Kuraray Europe, Mathias Fernandez Lombardi, introduced some of the company's latest products, all of which are on show at the Kuraray booth (E010/F019) in Hall 11.3. This includes the CERABIEN MiLai range of porcelain and internal stains and the highly anticipated CLEARFIL Universal Bond Quick 2, a next-generation bonding technology with a wide range of applications. ◀
