VistaPano

With the new VistaPano S 2.0, your practice will set efficiency records.

Thanks to the Csl sensor and S-Pan technology, the device automatically delivers pinpoint-sharp panoramic images in record time. A Ceph X-ray image in fast scan mode is available within 2 seconds. So, it's not just the ambient light that will help your practice experience the VistaPano S 2.0 in a whole new light.
