CLEAN IMPLANT FOUNDATION

Become a CleanImplant Certified Dentist.

You choose quality.
You choose safety.
You choose independently tested and CleanImplant-certified implant systems.
Now let patients choose you.

- **Attract quality-conscious patients**
- **Join an elite professional network**
- **Differentiate your practice**
- **Receive marketing and digital support**

The CleanImplant Foundation independently evaluates implant surface quality and recognizes systems that meet its consensus-based scientific standards.
