# CLEAN IMPLANT FOUNDATION

## Become a CleanImplant Certified Dentist.

You choose quality.  
You choose safety.  
You choose independently tested and  
CleanImplant-certified implant systems.  
**Now let patients choose you.**

- ✔ Attract quality-conscious patients
- ✔ Join an elite professional network
- ✔ Differentiate your practice
- ✔ Receive marketing and digital support

The CleanImplant Foundation independently evaluates implant surface quality and recognizes systems that meet its consensus-based scientific standards.
