

CLEAN IMPLANT FOUNDATION

Become a CleanImplant Certified Dentist.

You choose quality.
You choose safety.
You choose independently tested and
CleanImplant-certified implant systems.
Now let patients choose you.

- ✔ Attract quality-conscious patients
- ✔ Join an elite professional network
- ✔ Differentiate your practice
- ✔ Receive marketing and digital support

The CleanImplant Foundation independently evaluates implant surface quality and recognizes systems that meet its consensus-based scientific standards.
