Geistlich Bio-Gide® Forte

Trusted Technology with Advanced Handling

Geistlich Bio-Gide® Forte is the newest bilayer collagen membrane from Geistlich. It is firmly rooted in the trusted Geistlich Bio-Gide® Technology, which has been validated by extensive scientific research and decades of clinical use worldwide. With its differentiated handling properties and high tensile strength, Geistlich Bio-Gide® Forte is designed for use in a wide range of bone and soft tissue regeneration cases.[1-3]
