A man with dark, wavy hair and a slight smile is shown from the chest up, wearing a dark blazer over a light-colored t-shirt. He is holding a glowing white marker and writing the words 'SURPRISINGLY SOON' in large, glowing neon letters on a dark background. The letters are arranged in three rows: 'SURPRISINGLY' on the top row, 'SINGLY' on the middle row, and 'SOON' on the bottom row. The man is positioned on the right side of the frame, with his hand near the 'G' in 'SINGLY'.

Surprisingly powerful, surprisingly colourful: LED+ auf der IDS 2011.
