

CEREC® AC Connect. Impress Everyone.

Sirona's New Toll-Free Digital Highway

Put yourself on the road to success with the new CEREC® AC Connect chairside digital impression system. Delivering the fastest acquisition speeds on the market, the CEREC AC Connect now brings the fastest return on investment. And only Sirona offers you the ability to upgrade your digital impressing unit to connect to an in-office milling unit.

- No scan fees
- Fastest acquisition speeds
- Superior Bluecam precision
- Fully upgradable to provide in-office milling capabilities
