

The **MM-men...**

TALKING ABOUT SEPARATION?

NEW!

ENDO PLEASURE!

The ideal all-in-one compatible with all NiTi systems on the market.

ENDO Ace
Endo motor with torque and speed control + integrated apex locator = no more separation!

www.revo-s.com

Revo-S
Revolutionary NiTi files with asymmetrical cross section = less stress on the file, less risk of separation!

ENDO Ace + Revo-S

= NO MORE SEPARATION
