

ACTIVATE
INNOVATION

Whatever you do at this IDS
Join us and discover the
latest innovations from the ACTEON® Group!

ACTEON® will introduce amazing technology:
discover the sensational NEWTRON® range and experience the
newest piezo-ultrasonic clinical applications, access to the
latest technologies in imaging and radiology with SOPRO CARE™
and X-MIND™, attend to the live demonstrations and see the
benefits provided by METOO™ and AIR-N-GO™.

These are unique opportunities to show you how we active
innovation... for you!

We  to create
