**Copyright Regulations**

**implants** international magazine of oral implantology is published by OEMUS MEDIA AG and will appear in 2015 with one issue every quarter. The magazine and all articles and illustrations therein are protected by copyright. Any utilization without the prior consent of editor and publisher is inadmissible and liable to prosecution. This applies in particular to duplicate copies, translations, microfilms, and storage and processing in electronic systems.

Reproductions, including extracts, may only be made with the permission of the publisher. Given no statement to the contrary, any submissions to the editorial department are understood to be in agreement with a full or partial publishing of said submission. The editorial department reserves the right to check all submitted articles for formal errors and factual authority, and to make amendments if necessary. No responsibility shall be taken for unsolicited books and manuscripts. Articles bearing symbols other than that of the editorial department, or which are distinguished by the name of the author, represent the opinion of the afore-mentioned, and do not have to comply with the views of OEMUS MEDIA AG. Responsibility for such articles shall be borne by the author. Responsibility for advertisements and other specially labeled items shall not be borne by the editorial department. Likewise, no responsibility shall be assumed for information published about associations, companies and commercial markets. All cases of consequential liability arising from inaccurate or faulty representation are excluded. General terms and conditions apply, legal venue is Leipzig, Germany.

# Restoring happiness

Patients rely on you in order to eat, speak, and smile with confidence. It can be said, you are actually restoring quality of life and happiness.

To succeed, you need technology that is well founded and documented in science. That is why we only deliver premium solutions for all phases of implant therapy, which have been extensively tested and clinically proven to provide lifelong function and esthetics.

Moreover, with an open-minded approach, we partner with our customers and offer services that go beyond products, such as educational opportunities and practice development programs so you can rest assured that you have the support you need.

**Reliable solutions and partnership for restoring happiness—because it matters.**

# Cement belongs to yesterday

## A complete posterior solution

To keep pushing forward, we're bringing innovation to the back. Connect with your entire treatment team and achieve shorter time to teeth with Nobel Biocare's complete posterior solution. It offers new ways to overcome the challenges of working in the posterior region while reducing complexity and risks.

Choose from new wide implants designed for Immediate Function. Add a monolithic implant crown with an angulated screw channel for a solution that's stronger than ever and 100% cement free. Start treating more patients better.

Discover the complete posterior solution:
