# Best in class

## All-on-4<sup>®</sup> treatment concept

The All-on-4<sup>®</sup> treatment concept is the best in its class of solutions. But only when Nobel Biocare products are combined. Many have tried to mirror this groundbreaking concept, but only we have the scientifically documented success to back it up. The All-on-4<sup>®</sup> treatment concept provides edentulous and soon-to-be edentulous patients with a fixed full-arch prosthesis on four implants on the day of surgery. Start treating more patients better.
