

Membranen

Firma	Produkt	Herkunft							Resorbierbarkeit				Fixierung			Einsatzbereich								
		synthetisch	alloogen	Titan	bovin	porcin	equin	ePTFE, ePTFE*	zelluläre Dermis	resorbierbar	nicht resorbierbar	Phos	Naht	Fibrinkleber	Schrauben	Tags	nicht erforderlich	Implantologie	Parodontologie	Sinusbodenreparation	Defektschirurgie	GBR	GTR	totale Atrophie der Maxilla
ACTEON Germany	PAROGUIDE																							
American Dental Systems	Evolution Standard																							
	Evolution Fine																							
	Evolution X-Fine																							
	Derma (Weichgewebsverdickung)																							
	Soft Cortical Lamina (Barrier)																							
	Resorb X®																							
	SonicWeld Rx® Dental																							
Argon Dental	OsteoGraft® Fascia Lata																							
	OsteoGraft® Epiflex																							
	OsteoGraft CortiFlex																							
	OsteoGel® Hyaluron																							
	OsteoBarrier Gel® Hyaluron Barrier																							
BEGO Implant Systems	BEGO Collagen Membrane																							
	BEGO Collagen Fleece																							
Bicon	Bicon Kollagenmembran																							
BioHorizons	Mem-Lok® Kollagenmembran																							
	Mem-Lok® Pliable Kollagenmembran																							
Bioimplon	Hypro-Sorb® F																							
	Hypro-Sorb® M																							
	Hypro-Sorb® IM Matrix																							
	Hypro-Sorb® R Fleece																							
	Hypro-Sorb® X Conus																							
	Hypro-Sorb® Z Conus																							
BIOMET 3i	OsseoGuard®																							
	OsseoGuard Flex®																							
botiss dental	collacone®																							
	Jason® membrane																							
	collprotect® membrane																							
	Jason® fleece																							
	mucoderm®																							
bredent medical	angiopore/angiopore DL																							
Champions-Implants	Cova™ Max																							
curasan	Osgide®																							
	Ti Titanfolie 40 µm																							
	Ti Titanfolie 20 µm																							
	Epi-Guide®																							
	CollaGuide®																							
Dentaurum Implants	TIOMESH®																							
Dentegris Deutschland	BoneProtect Membrane																							
	BoneProtect Guide																							
	MucoMatrixX																							
Dentsply Sirona Implants	FRIOS® BoneShield																							
DOT	Hypro-Sorb® F																							
Dr. Ihde Dental	Hypro-Sorb® F																							
Gebr. Martin/KLS Martin	Resorb X®																							
	SonicWeld Rx® Dental
