

CBCT WORLD PREMIERE

Show what you're made of—with precision of *PreXion*.

EXPLORER PreXion3D

From 12 to 16 March 2019, the Japanese technology group *PreXion* will present the new CBCT system *PreXion3D EXPLORER* at booth B081 in hall 2.2 at the International Dental Show. The high-performance system, especially developed for the European market, allows for an extraordinary combination of the most precise imaging, great picture detail, low radiation exposure, safe diagnostics and digital planning, covering the entire range of indications in modern dentistry.

Show what you're made of—with precision from *PreXion*.
