See Instructions For Use for full prescribing information, including indications, contraindications, warnings and precautions.

Nobel Biocare™

WELCOME TO THE ERA OF MUCOINTEGRATION™

Surface chemistry cells can't resist.

Introducing Xeal and TiUltra – two new breakthrough surfaces derived from our decades of applied anodization expertise. From abutment to implant apex, we have reimagined surface chemistry and topography to optimize tissue integration at every level. We've now entered the Mucointegration™ era.

The new Xeal surface is now available for the On1™ Base and the Multi-unit Abutment. TiUltra is available on our best selling NobelActive® and NobelParallel™ CC implants.
