PIEZON MASTER SURGERY® –
THE WORLD OF DENTAL
AND ORAL SURGERY NOW
CELEBRATES A NEW HERO

**REVOLUTION IN
YOUR HANDS**

INNOVATIVE technology, easy to operate, multiple applications, exclusive instruments, great results, extensive experience – the Original Piezon Method now also available for periodontal surgery, implantology, oral and maxillary surgery.

> Piezon Master Surgery

UNIQUE in the realm of surgery – 3-touch panel for intuitive user guidance.

EXCLUSIVE design tailored to the new piezoceramic surgery hand-piece – the new Swiss Instruments Surgery.

REVOLUTIONARY in the smallest details – once you've experienced Piezon Master Surgery, you'll ask yourself: Why didn't we have this before?

**TOUCH
'N'
GO**
