

Tabletop and Poster Presentations

Thursday, 26 August 2010: 18:30-20:00

Perhaps the most popular feature of our World Congress is the Tabletop and Poster Presentation competition that occurs during the Welcome Reception in the Exhibit Hall on Thursday from 18:00-19:30. This competition provides the perfect forum for delegates to interact with colleagues in a social, yet instructive manner. Tabletop presentations should be kept to 5-7 minutes so that the presentation can be repeated as new observers gather to review

the case studies, etc. Poster presentations will be placed on bulletin boards at the start of the Congress and will remain on display throughout the Congress.

Poster presenters should be at their posters to address questions during the Welcome Reception. All presentations will be judged, with the winners receiving awards and main podium consideration for future ICD and DGOI meetings. ❖
