

ISMI

INT. SOCIETY OF METAL FREE IMPLANTOLOGY

The innovative specialist society for modern metal-free implantology

Become a member now!

Advantages

Public relation work

Benefit from a strong community that supports your practice marketing through their public relation measures.

Society's website including member profiles

Use the individualised member homepage and profit from a personal profile which ISMI provides free of charge to all active members. The patient platform of ISMI offers information for patients as well as a "dentists search & find" option and connects patients to the individual member homepages.

Congress participation discount

Come and join us! Attend the Annual Congress of ISMI in Düsseldorf on 7 and 8 May 2021 and receive further education provided by our partners for reduced participation fees for all ISMI members.

Online specialist archive

Get exclusive access to ISMI's comprehensive online archive. Discuss with experts and colleagues all questions concerning metal-free implantology and enjoy free access to the online archive and its subject-related training videos and case reports.

Newsletter

The ISMI newsletter informs you of the latest scientific trends, products, and events. It also provides user reports as well as a wide range of information and tips on the subject of metal-free implantology.

Specialist magazine

As a member of ISMI, your membership fee includes a subscription of the independently published English magazine "ceramic implants—international magazine of ceramic implant technology". Published twice a year, the magazine offers specialist articles and event reports as well as industry- and science-related news from the international world of metal-free implantology. In addition "ceramic implants" provides information on companies and their newest products.
