Programme for dentists and dental technicians

FRIDAY, 6 NOVEMBER 2020

FUTURE PODIUM – Visions in Implantology

09:00 – 09:15 **Opening ceremony**

09:15 – 09:45 **Dr Georg Bach/DE**

Opening lecture by the DGZI President

The „T“s in implantology—From triumphs to tragedies

09:45 – 10:10 **Dr Karl-Ludwig Ackermann/DE**

Every future has an origin—How perio-implant prosthetic treatment concepts have changed over time

10:10 – 10:35 **Prof. Dr Dr Sharam Ghanaati/DE**

The application of autologous blood concentrates in implantology and oral surgery

10:35 – 11:00 **Prof. Dr Norbert Gutknecht/DE**

Peri-implantitis—The „tsunami“ in future dental diseases: Is the laser giving us a problem-based solution?

11:00 – 11:15 **Speaker and podium discussion**

The speakers and the scientific leader/host discuss the relevance of the presented developments for the daily clinical practice of implantologists. Participants have the opportunity to actively take part in the discussion.

11:15 – 12:00 **Break/Dental exhibition**

LIVESTREAM

12:00 – 13:00

Transfer live surgery/treatment
Dr Stefan Reinhardt/DE

Immediate restoration in the aesthetic zone and simultaneous soft-tissue thickening

camlog

13:00 – 13:30 **Break/Dental exhibition**

13:30 – 14:30 **Transfer live tutorial**

Prof. Dr Daniel Grubeanu/DE

Next level immediate restoration concepts

straumanngroup

TABLE CLINICS (TC) – Visions in Implantology

15:15 – 16:00 **Session 1, TC table 1–28**

16:00 – 16:15 Change of table

16:15 – 17:00 **Session 2, TC table 1–28**

17:00 – 17:15 Change of table

17:15 – 18:00 **Session 3, TC table 1–28**

18:00 – 21:30 **Get-together at the congress/exhibition area**

SATURDAY, 7 NOVEMBER 2020

SCIENTIFIC PRESENTATIONS – Visions in Implantology

09:00 – 09:10

Dr Georg Bach – DGZI President

Welcome and introduction of the speakers and scientific programme

09:10 – 09:35

Prof. Dr Dr Knut A. Grötz/DE

Alveolar ridge augmentation in locally and/or systemically compromised cases—What has changed in the last 50 years?

09:35 – 10:00

Prof. Dr Dr Bilal Al-Nawas/DE

Implant – bone – soft tissue: What have we learned after 50 years?

10:00 – 10:25

Prof. Dr Florian Beuer MME/DE

Materials in implant prosthetics—Where, when and how does something work?

10:25 – 10:40

Speaker and podium discussion

10:40 – 11:15

Break/Dental exhibition

11:15 – 11:45

Selection of the winners of the „Implant Dentistry Award“ and presentation of the winning posters

11:45 – 12:15

Prof. Dr Daniel Grubeanu/DE

The significance of immediate implant placement in the daily practice

12:15 – 12:45

Prof. Dr Dr Ralf Smeets/DE

Implantological risk factors: Vitamin D deficiency, diabetes mellitus, proton pump inhibitors—What do we have to consider?

12:45 – 13:15

Dr Dr Wolfgang Jakobs/LU

Anaesthetic procedures in implantology—Indications, limitations, complications

13:15 – 13:30

Speaker and podium discussion

13:30 – 14:15

Break/Dental exhibition

14:15 – 14:40

Prof. Dr Christian Gernhardt/DE

Endodontic treatment or implant placement—When to choose which solution

14:40 – 15:05

Prof. Dr Thorsten M. Ausschill/DE

Soft-tissue management—How to achieve ideal tissue conditions

15:05 – 15:30

Prof. Dr Friedhelm Heinemann/DE

Implant-prosthetic restorations—How to make the most of existing potentials

15:30 – 15:55

Prof. Dr Dr Frank Palm/DE

Bone management—Preserving alveolar bone after extraction

15:55 – 16:15

Speaker and final discussion

Table Clinics

FRIDAY, 6 NOVEMBER 2020

TC 1	Dr Jörg-Martin Ruppin/DE Implantology in cases with compromised bone— Solving difficult cases predictably and successfully	camlog	TC 16	Dr Manuel Bras da Silva/DE Novel synthetic biomaterials—From socket to horizontal/vertical alveolar ridge augmentation	DD DEMEDI-DENT
TC 2	Dr Markus Reise/DE Emdogain FL—New attachment even without surgery	straumanngroup	TC 17	Prof. Dr Matthias Karl/DE Implant design, drilling protocol and primary stability—A 2020 update	SCHÜTZ DENTAL Micerium Group
TC 3	Dr Petra G. Rauch, MSc, MSc/DE Chairside—What works in practice?	Dentsply Sirona	TC 18	Anja Bogen/DE infoskop®—Mobile digital patient communication and documentation for perfect workflow management	synMedico
TC 4	Dr Arnd Lohmann, MSc/DE Vertical bone augmentation—Risk management	Geistlich Blomaterials	TC 19	Dr Dr Anders Henningsen/DE Delicate two-piece hybrid implants—How to combine titanium and ceramics purposefully	TIZIO HYBRID IMPLANTS
TC 5	Prof. Dr Dr Sharam Ghanaati/DE Improved wound healing in implantology with autologous blood concentrates—Basics, collection, processing	mectron medical technology	TC 20	Marco Josch/DE Rounded internal connection against micro- movements—Still state-of-the-art in 2020? Evaluation and alternative concepts	RUNDAS
TC 6	Prof. Dr Mauro Marincola/IT Possibilities and limitations in the use of short implants	bicon DENTAL IMPLANTS	TC 21	Dr Alexa van Schöll/DE Atraumatic biological extraction through piezo-surgery in the daily practice	ACTEON
TC 7	Prof. Dr Friedhelm Heinemann/DE Increase in abutments with diameter-reduced implants	DENTAURUM IMPLANTS	TC 22	Dr Marcus Engelschalk/DE From diagnostics to application—Modern implant planning with CBCT and 3D face/impression scanning	Ray
TC 8	Dr Mathias Siegmund, MSc, MSc/DE Digital workflow—From virtual planning to implant placement	BEGO	TC 23	Dr Elisabeth Jacobi-Gresser/DE Clinical application of two-piece zirconium oxide implants—For which patients and why?	ZERAMEX
TC 9	Prof. Dr Dr Frank Palm/DE Is augmentation still in fashion? Bone preservation after extraction	curasan Regenerative Medizin	TC 24	Dr Ingo Baresel/DE Digital dental care in combination with 3D diagnostics and modern implant therapy	PreXion make it visible
TC 10	Dr Armin Nedjat/DE Zirconia implants demystified, successful & sustainable	CHAMPIONS	TC 25	Dr Rebekka Hueber/CH Why do zirconia implants require a special treatment concept?	SDS SWISS DENTAL SOLUTIONS
TC 11	Dr Maike Jörck, MSc/DE Gentle, safe and quick—Forced bone preservation through immediate implant placement	ARGON	TC 26	Olaf Oberhofer, MSc/DE The application of the Er:YAG laser in the daily practice	MORITA
TC 12	Dr Bernd Siewert/ES If implants could decide—Innovative concept for bridge construction with guaranteed passive fit	YunMed Know-How Brings Quality Back to Life	TC 27	Prof. Dr Norbert Gutknecht/DE Dr Stefan Grümer/DE Clinical approach to decontaminating implant surfaces in peri-implantitis therapy	dgl Deutscher Gesellschaft für Zahnärztliche Implantologie
TC 13	Prof. Dr Georg-Hubertus Nentwig/DE Minimally-invasive procedures for improving peri-implant tissue volume	SUNSTAR GUIDOR	TC 28	Dr Detlef Klotz/DE Invoicing laser procedures in dentistry Anaesthetic procedures in implantology—Indications, limitations, complications	dgl Deutscher Gesellschaft für Zahnärztliche Implantologie
TC 14	Prof. Dr Dieter Wember-Matthes/DE Short implants vs sinus lift—Concepts for cases with greatly reduced bone availability	HENRY SCHEIN® DENTAL			
TC 15	Dr Nicolai Böhme/DE Immediate restoration—Happy patients and high profitability are not mutually exclusive	bredent group			

Organisational matters

CONGRESS FEES

Friday, 6 November and Saturday, 7 November 2020

Dentist/dental technician DGZI member	€ 295*
Dentist/dental technician non-member	€ 345*
Medical assistant (with proof) DGZI member	€ 120*
Medical assistant (with proof) non-member	€ 135*
Student (with proof)	only conference flat rate
Conference flat rate**	€ 118 excl. VAT

TEAM FEES

Friday, 6 November and Saturday, 7 November 2020

Dentist + dental technician DGZI member	€ 395*
Dentist + dental technician non-member	€ 475*
Dentist + assistant DGZI member	€ 375*
Dentist + assistant non-member	€ 400*
Conference flat rate** per person	€ 118 excl. VAT

EVENING EVENT Friday, 6 November 2020, starting 18:00

Expiry Date	CVC No. (3 or 4 digits on the back of the Credit Card in the Signature Field, Amex on the front of the Credit Card)		
Date, Signature			

With my registration I accept the terms of service of OEMUS MEDIA AG.

TERMS OF SERVICE

- Congress registrations are made online, in written form via fax or e-mail. For organisational reasons, registrations should be made as early as possible. Congress admissions are processed following the order of the incoming registration requests.
- Once we have received your registration, it is legally binding. You will immediately receive a registration confirmation and an invoice.
- The stated congress fee is calculated including 7 per cent VAT in the name and on account of DGZI e.V. The prices for the conference flat rate and bookings for additional services in the supporting programme are plus statutory VAT. Participation in the congress without paying the conference flat rate is not possible.
- The declared student fees only apply to first-degree students of general medicine or dentistry. Evidence must be provided upon request. The declared student fees do not apply to students in second-degree master programmes and/or postgraduate courses and further trainings. You will receive your invoice by e-mail. International participants need to pay the invoice by credit card in advance of the congress. For the subsequent change of the invoice address, we charge a service fee of €30.
- In special cases, the participant may cancel the registration no later than 4 weeks before the congress by sending a written notice of such cancellation. In this case, an administrative fee of €50 will be charged. The fee is waived, if the cancellation comes with a freshly made registration.
- For cancellations received no later than 21 days before the congress, 50 per cent of the total invoice amount will be refunded. For cancellations received later than that, no refunds will be made. Registrations are transferable.
- Two weeks before the congress starts, participants will receive a route map to the respective congress hotel and, if needed, special information on the event.
- In case the congress is under- or overbooked, cancelled by the speaker or in case there are any changes with respect to the congress venue, participants will be notified immediately. The OEMUS MEDIA AG shall not be liable for any resulting costs. The already paid invoice amount will be refunded immediately.
- The organisers reserve the right to modify the congress programme. The OEMUS MEDIA AG shall not be liable for content, execution, or general framework conditions of the congress.
- During the congress, photographs will be taken and video recordings will be made for the sake of media coverage and announcing/advertising future events. Hence, please be advised that you may be photographed or filmed at any time during lectures, seminars or workshops.
- With your registration, you agree to the terms and conditions of the OEMUS MEDIA AG.
- The place of jurisdiction for any dispute is Leipzig.
