Copyright Regulations

implants international magazine of oral implantology is published by OEMUS MEDIA AG and will appear with one issue every quarter in 2021. The magazine and all articles and illustrations therein are protected by copyright. Any utilisation without the prior consent of editor and publisher is inadmissible and liable to prosecution. This applies in particular to duplicate copies, translations, microfilms, and storage and processing in electronic systems.

Reproductions, including extracts, may only be made with the permission of the publisher. Given no statement to the contrary, any submissions to the editorial department are understood to be in agreement with a full or partial publishing of said submission. The editorial department reserves the right to check all submitted articles for formal errors and factual authority, and to make amendments if necessary. No responsibility shall be taken for unsolicited books and manuscripts. Articles bearing symbols other than that of the editorial department, or which are distinguished by the name of the author, represent the opinion of the aforementioned, and do not have to comply with the views of OEMUS MEDIA AG. Responsibility for such articles shall be borne by the author. Responsibility for advertisements and other specially labeled items shall not be borne by the editorial department. Likewise, no responsibility shall be assumed for information published about associations, companies and commercial markets. All cases of consequential liability arising from inaccurate or faulty representation are excluded. General terms and conditions apply, legal venue is Leipzig, Germany.

Straumann® Zygomatic Implant System

Designed by experts with the patient in mind.

FROM EXPERTS FOR EXPERTS

Bringing experts together to provide a solution you can trust in.

ANATOMICALLY BASED DESIGNS

Two designs with a unique combination of features to respect patients' anatomical structures.⁵

IMMEDIATE LOADING^{1,2,4}

Graftless solution that provides primary stability and allows immediate loading.

STRAIGHTFORWARD PROSTHETICS³

Prosthetic portfolio with a single implant connection; compatible with Straumann® Edentulous Solutions.
