Programme for dentists and dental technicians

FRIDAY, 1 OCTOBER 2021

FUTURE PODIUM – Visions in Implantology

- 09:00 – 09:20 **Welcoming speech and congress opening**
- 09:20 – 09:50 **Dr Georg Bach/GER**
Opening lecture by the President of DGZI
The „T“s in implantology—From triumphs to tragedies
- 09:50 – 10:20 **Prof Dr Dr Dr. Shahram Ghanaati/GER**
The application of autologous blood concentrates in implantology and oral surgery
- 10:20 – 10:50 **Prof Dr Katja Nelson/GER**
Digitisation in implant dentistry—From freestyle to guided surgery
- 10:50 – 11:15 **Speaker and podium discussion**
Together with the Scientific Head the speakers discuss the significance of the presented developments for the clinical practice of implantologists. The attendees are free to join the discussion.
- 11:15 – 12:00 **Break/Dental exhibition**

LIVESTREAM

12:00 – 13:00

camlog

Transfer live surgery/treatment

Dr Jan Klenke/GER

Periodontal recession coverage by means of an acellular dermal matrix

13:00 – 13:30

Break/Dental exhibition

13:30 – 14:30

straumanngroup

Transfer live tutorial

Prof Dr Daniel Grubeanu/GER

Elevated immediate restoration concepts

14:30 – 15:15

Break/Industry exhibition

TABLE CLINICS (TC) – Visions in Implantology

- 15:15 – 16:00 **Session 1, TC Tables 1–25**
- 16:00 – 16:15 **Break/Change of tables**
- 16:15 – 17:00 **Session 2, TC Tables 1–25**
- 17:00 – 17:15 **Break/Change of tables**
- 17:15 – 18:00 **Session 3, TC Tables 1–25**

18:00 – 21:30

Get-together in the congress/exhibition area

SATURDAY, 2. OCTOBER 2021

SCIENTIFIC LECTURES – Visions in Implantology

- 09:00 – 09:10 **Dr Georg Bach/GER** President of DGZI
Opening/Introduction of the speakers and the scientific programme
- 09:10 – 09:35 **Prof Dr Dr Knut A. Grötz/GER**
Alveolar ridge augmentation in locally and/or systemically compromised cases—What has changed in the last 50 years?
- 09:35 – 10:00 **Prof Dr Dr Bilal Al-Nawas/GER**
Implant – bone – soft tissue: What have we learned after 50 years?
- 10:00 – 10:25 **Prof Dr Christian Gernhardt/GER**
Endodontic treatment or implant placement—When to choose which solution
- 10:25 – 10:40 **Speaker and podium discussion**
- 10:40 – 11:15 **Break/Dental exhibition**
- 11:15 – 11:45 **Presentation of the “Implant Dentistry Award” winners and the winning posters**
- 11:45 – 12:15 **Prof Dr Daniel Grubeanu/GER**
The significance of immediate implant placement in the daily practice
- 12:15 – 12:45 **Prof Dr Dr Ralf Smeets/GER**
Implantological risk factors: Vitamin D deficiency, diabetes mellitus, proton pump inhibitors—What do we have to take into consideration?
- 12:45 – 13:15 **Dr Dr Wolfgang Jakobs/LUX**
Anaesthetic procedures in implantology—Indications, limitations, complications
- 13:15 – 13:30 **Speaker and podium discussion**
- 13:30 – 14:15 **Break/Dental exhibition**
- 14:15 – 14:40 **Prof Dr Florian Beuer MME/GER**
Materials in implant prosthetics—Where, when and how does something work?
- 14:40 – 15:05 **Prof Dr Thorsten M. Aushill/GER**
Soft-tissue management—How to achieve ideal tissue conditions
- 15:05 – 15:30 **Prof Dr Friedhelm Heinemann/GER**
Implant-prosthetic restorations—How to make the most of existing potentials
- 15:30 – 15:55 **Prof Dr Dr Frank Palm/GER**
Bone management—Preserving alveolar bone after extraction
- 15:55 – 16:15 **Speaker and final discussion**

Table Clinics

FRIDAY, 1 OCTOBER 2021

TC 1	Dr Jörg-Martin Ruppig/GER Implantology in cases with compromised bone—Solving difficult cases predictably and successfully		TC 14	Dr Elisabeth Jacobi-Gresser/GER Clinical application of two-piece zirconium oxide implants—For which patients and why?	
TC 2	Dr Frederic Kauffmann/GER Emdogain—What can it do?		TC 15	Dr Alexa van Schöll/GER Atraumatic biological extraction with piezo-surgery in the daily practice	
TC 3	Priv-Doz Dr Jonas Lorenz/GER Bone grafting for alveolar ridge preservation and regeneration after tooth loss		TC 16	Dr Mathias Siegmund, M.Sc., M.Sc./GER Digital workflow—From digital planning to implant placement	
TC 4	Dr Rebekka Hueber/CH Guided Augmentation Procedures (GAP)—Techniques for biological and indication-based bone augmentation with ceramic implants		TC 17	Prof Dr Friedhelm Heinemann/DGER Increase in abutments with diameter-reduced implants	
TC 5	Prof Dr Dieter Wember-Matthes/GER Short implants vs sinus lift—Concepts for cases involving heavily reduced bone supply		TC 18	Dr habil Dr Georg Arentowicz/GER Prophylaxis & peri-implantitis—Airflow®, Perioflow® and Piezon® with PS instrument technology as part of a modern treatment concept: The key to success	
TC 6	Dr Kai Zwanzig/GER „We love biology“—The stable tissue concept in the daily practice		TC 19	Dr Dirk Duddeck/GER Hidden dangers in implantological practice: From inferior implants to the consequences of inadequate water hygiene	
TC 7	Prof Dr Dr Shahram Ghanaati/GER Improved wound healing in implant dentistry with autologous blood concentrates—Basics, collection, processing		TC 20	Prof Dr Thorsten M. Auchi/GER Periodontitis/Periimplantitis in clinical practice—Which antibiotic therapy helps?	
TC 8	Prof Dr Dr Frank Palm/GER Is augmentation still in fashion? Bone preservation after extraction		TC 21	Dr Bernd Siewert/ES If implants could choose—Innovative bridge concept with a guaranteed passive-fit	
TC 9	Dr. Manuel Bras da Silva/GER Novel synthetic biomaterials—From socket to horizontal/vertical alveolar ridge augmentation		TC 22	Dr Urs Brodbeck/CH Managing biofilm efficiently with GalvoSurge	
TC 10	Prof Dr Joachim S. Hermann/GER Impantologia quo vadis?! —“Osseointegration” in a sick or “BioIntegration™” in a healthy mouth. Biological principles as the foundation for aesthetics and long-term success		TC 23	Julia Haas/GER Anaesthetics without puncture? Pain elimination within the context of periodontal prevention and therapy	
TC 11	Dr Petra G. Rauch, M.Sc., M.Sc./GER Chairside—What works in practice?		TC 24	DH Annkathrin Dohle/GER Prevention & Periimplantitis—Airflow®, Perioflow® and Piezon® with PS Instrument Technology as part of a modern treatment concept (GBT)—The key to success	
TC 12	Dr Christoph Wenninger/GER Digital dental care in combination with 3D diagnostics and modern implant therapy		TC 25	Sebastian Holuk/GER MDR 2021 & new PAR guidelines: Professional quality management, improved long-term implant success and early detection of periodontitis by means of predictive chairside bio-marker diagnostics	
TC 13	Dr Armin Nedjat/GER Immediate implants—Ceramic versus titanium				

Organisational matters

CONGRESS FEES

Friday, 1 October and Saturday, 2 October 2021

Dentist/dental technician DGZI member	€ 295*
Dentist/dental technician non-member	€ 345*
Medical assistant (with proof) DGZI member	€ 120*
Medical assistant (with proof) non-member	€ 135*
Student (with proof)	only conference flat rate
Conference flat rate**	€ 118 excl. VAT

TEAM FEES

Friday, 1 October and Saturday, 2 October 2021

Dentist + dental technician DGZI member	€ 395*
Dentist + dental technician non-member	€ 475*
Dentist + assistant DGZI member	€ 375*
Dentist + assistant non-member	€ 400*
Conference flat rate** per person	€ 118 excl. VAT

EVENING EVENT Friday, 1 October 2021, starting 18:00

„Get together“ at the event hotel

For congress participants and exhibitors free of charge (Price per accompanying person € 35 excl. VAT).

Please send this registration to event@oemus-media.de

I hereby register the following persons for the 50TH DGZI INTERNATIONAL ANNUAL CONGRESS on 1 and 2 October 2021 in Cologne, Germany.

(Please fill out as appropriate):

	yes no	Dentist Dental technician Assistant
Name, First Name	DGZI member	
	yes no	Dentist Dental technician Assistant
Name, First Name	DGZI member	
Office/Clinic		
Street		
ZIP, City, Country		
E-mail		

CREDIT CARD

Card Holder's Name			
Credit Card Type	Master Card	Visa	American Express
Credit Card No.			
Expiry Date	CVC No. (3 or 4 digits on the back of the Credit Card in the Signature Field, Amex on the front of the Credit Card)		
Date, Signature			

With my registration I accept the terms of service of OEMUS MEDIA AG.

TERMS OF SERVICE

- Congress registrations are made online, in written form via fax or e-mail. For organisational reasons, registrations should be made as early as possible. Congress admissions are processed following the order of the incoming registration requests.
- Once we have received your registration, it is legally binding. You will immediately receive a registration confirmation and an invoice.
- The stated congress fee is calculated including 7 per cent VAT in the name and on account of DGZI e.V. The prices for the conference flat rate and bookings for additional services in the supporting programme are plus statutory VAT. Participation in the congress without paying the conference flat rate is not possible.
- The declared student fees only apply to first-degree students of general medicine or dentistry. Evidence must be provided upon request. The declared student fees do not apply to students in second-degree master programmes and/or postgraduate courses and further trainings. You will receive your invoice by e-mail. International participants need to pay the invoice by credit card in advance of the congress. For the subsequent change of the invoice address, we charge a service fee of € 30.
- In special cases, the participant may cancel the registration no later than 4 weeks before the congress by sending a written notice of such cancellation. In this case, an administrative fee of € 50 will be charged. The fee is waived, if the cancellation comes with a freshly made registration.
- For cancellations received no later than 21 days before the congress, 50 per cent of the total invoice amount will be refunded. For cancellations received later than that, no refunds will be made. Registrations are transferable.
- Two weeks before the congress starts, participants will receive a route map to the respective congress hotel and, if needed, special information on the event.
- In case the congress is under- or overbooked, cancelled by the speaker or in case there are any changes with respect to the congress venue, participants will be notified immediately. The OEMUS MEDIA AG shall not be liable for any resulting costs. The already paid invoice amount will be refunded immediately.
- The organisers reserve the right to modify the congress programme. The OEMUS MEDIA AG shall not be liable for content, execution, or general framework conditions of the congress.
- During the congress, photographs will be taken and video recordings will be made for the sake of media coverage and announcing/advertising future events. Hence, please be advised that you may be photographed or filmed at any time during lectures, seminars or workshops.
- With your registration, you agree to the terms and conditions of the OEMUS MEDIA AG.
- The place of jurisdiction for any dispute is Leipzig.
