Copyright Regulations

*implants international magazine of oral
implantology* is published by OEMUS
MEDIA AG and will appear with one issue
every quarter in 2026. The magazine and
all articles and illustrations therein are
protected by copyright. Any utilisation
without the prior consent of editor and
publisher is inadmissible and liable to
prosecution. This applies in particular to
duplicate copies, translations, microfilms,
and storage and processing in electronic
systems.

Reproductions, including extracts, may
only be made with the permission of the
publisher. Given no statement to the con-
trary, any submissions to the editorial
department are understood to be in
agreement with a full or partial publishing
of said submission. The editorial depart-
ment reserves the right to check all sub-
mitted articles for formal errors and fac-
tual authority, and to make amendments
if necessary. No responsibility shall be
taken for unsolicited books and manu-
scripts. Articles bearing symbols other
than that of the editorial department, or
which are distinguished by the name of
the author, represent the opinion of the
aforementioned, and do not have to com-
ply with the views of OEMUS MEDIA AG.
Responsibility for such articles shall be
borne by the author. Responsibility for ad-
vertisements and other specially labelled
items shall not be borne by the editorial
department. Likewise, no responsibility
shall be assumed for information pub-
lished about associations, companies and
commercial markets. All cases of conse-
quential liability arising from inaccurate
or faulty representation are excluded.
General terms and conditions apply, legal
venue is Leipzig, Germany.

Note on the use of AI

Our editorial content is written by people—
for people. We use artificial intelligence
as a supportive tool, for example for re-
search, transcriptions, and early drafts.
However, every piece of content we pub-
lish is carefully reviewed and fact-checked
by our qualified editors. Editorial respon-
sibility and the highest standards of quality
remain our top priorities.
